The Honorable William W. Parsons
Administrative Assistant Secretary
Department of the Treasury
Washington 25, D.C.

Dear Mr. Parsons,

Thank you for your letter of November 20, 1958.

The CIA Library is not receiving your Monthly Review of Current Information or the Annual and would be very pleased to be placed on the mailing list. This publication would be a great assistance to us in reviewing the receipts of foreign publications.

Very truly yours,
